# Terms Used in the LAUS Report

**Employment** refers to those persons 16 years of age or older who did any work at all as paid employees during the reference week of the 12th of the month; worked in their own business or on their own farm, or worked without pay at least 15 hours in a family business or farm. Also included are persons who were temporarily absent from their jobs because of illness, bad weather, vacation, labor-management disputes or personal reasons.

**Unemployment** refers to those persons who had no employment during the reference week; who were available for work; and made specific attempts to find work during the four week period ending with the reference week. Persons laid off from a job and expecting recall need not be looking for work to be counted as unemployed.

The **Labor Force** is the sum of the Employed and the Unemployed.

The **Unemployment Rate** is the number of Unemployed as a percent of the Labor Force.

Over the course of a year the size of the labor force and the levels of employment and unemployment undergo sharp fluctuations due to such seasonal events as changes in weather, reduced or expanding production, harvests, major holidays, and the opening and closing of school. Seasonal fluctuations account for as much as 95% of the month-to-month changes in unemployment. The object of **Seasonal Adjustment** is to make nonseasonal developments, such as declines in economic activity easier to spot. Although most of the data in this publication is unadjusted, the Seasonally Adjusted Unemployment Rate is given for the state of Rhode Island.

The **Metropolitan Statistical Area (MSA)**, Providence-Warwick, RI-MA MSA, is comprised of the entire state of Rhode Island and Bristol County, Massachusetts. The general concept of the MSA is one of a large population center, usually over 50,000, together with adjacent communities which have a high degree of economic and social integration within that locality.

All information found in the Local Area Unemployment Statistics report can also be found on the Labor Market Information Unit's web site at <https://dlt.ri.gov/labor-market-information/data-center/unemployment-ratelabor-force-statistics-laus> or call (401) 462-8740.
